

Navigating The Trail

The distances shown on the trail mile markers represent the maximum distances to be traveled in either direction to arrive at the main entry point.

Trail Essentials:

- Bring plenty of water (One quart for short hikes-more for longer hikes).
- A water pack is preferable for you to keep your hands free while hiking.
- Wear appropriate footwear, preferably hiking boots.
- Wear light-colored, comfortable clothing.
- Bring a hat and sunblock (SPF 15 minimum).
- Basic first aid supplies.
- Cell phone.

General Safety & Etiquette

- Tell someone where you will be hiking and when you expect to return.
- Having a trail map is recommended.
- Know where you are going and know what kind of terrain you will be hiking on. It is important to remember that the Victoria Gardens trails are Wilderness Trails. **Hikers can encounter unstable terrain, rattlesnakes and other potential hazards native to Florida.**
- Don't hike alone - it's safer and more fun to do the trail with a friend.
- ALWAYS stay on a designated trail. Victoria Park land management requirements prohibit trailblazing.
- Use common sense and courtesy while on the trails. Announce your intentions and slow your pace when passing someone on the trails.
- Do not litter.
- Destruction or removal of plants, animals, historical, prehistoric or geological sites are prohibited.
- Do not chase or harass wildlife.
- Remember the 3 C's: Courtesy, Communication and Common Sense.

What to do when you need help:

- If you need help, notify St. Joe by calling (###)###-####; for emergencies call 9-1-1.
- Know your location. Look for the nearest trail marker or any noticeable landmark such as a bench, wash or tree.
- Identify the emergency situation (Be specific regarding the condition of an injured person).
