

Nature Walk _ North Trail

Gopher tortoise shell

A group of approximately 15 people, mostly older adults, are gathered on a sandy, rocky trail in a wooded area. They are all looking towards a small, green, flat-topped cactus growing in the center of the path. The people are dressed in casual outdoor clothing like jackets, hats, and jeans. The background consists of dense green trees and shrubs. The text "Prickly-pear cactus" is overlaid in yellow at the bottom center of the image.

Attack of the Drosera

Snowflakes

A close-up photograph of mistletoe berries growing on a branch. The berries are small, white, and clustered in several groups. The surrounding foliage consists of green, oval-shaped leaves, some of which show signs of being eaten, with small holes visible. The background is a soft, out-of-focus green, suggesting a natural outdoor setting. The text "Mistletoe berries" is overlaid in a yellow, serif font in the lower-middle portion of the image.
